Ref. No. : RKCP/JK/2026/CIR-004 **Date:** 21-10-2026

Subject: Update on Launch and Onboarding of Kisan Canteen Points in Jammu & Kashmir

Dear Applicant,

We are pleased to inform you that all phases of the initial launch preparation and onboarding process for Kisan Canteen Points in Jammu & Kashmir have been completed.

The company is in continued coordination with the concerned offices, including the **office of Hon'ble Lieutenant Governor, Shri Manoj Sinha Ji** and **the office of Hon'ble Agriculture Minister, Shri Javid Ahmad Dar Ji,** to take the initiative forward towards its formal launch and successful implementation. The final launch date and details of the next phase will be communicated to all concerned applicants shortly.

We have also observed that a few identified candidates and Kisan Canteen Point owners have not participated in the last 3-4 stages of the process. Although their number is limited, the company remains committed to providing them an opportunity to reconnect with the initiative following the successful launch and implementation of the current phase of Kisan Canteen Points.

Regarding the next phase:

1. Selected Kisan Canteen Point applicants will receive individual communication regarding the launch and further joining formalities.
2. Applicants who could not be selected in the current phase, for any reason, will remain eligible for a three-month training and guidance period, commencing from the official launch date.
3. Further instructions regarding training, documentation, operational procedures and centre activation will be communicated through official channels.
